February 2012

### Crane Removal and Road Closure

Dear resident,

#### **Elizabeth Garrett Anderson Language College**

I am writing to inform you that the project is progressing well and we have reached a key point at which we are able to dismantle one of the tower cranes we have servicing the site. To do this safely and cause minimum disruption to the area we will be closing one side of **Donegal Street** on **Monday 13<sup>th</sup> February 2012**. The road will have traffic controls put in place to manage the flow of vehicles and the parking bays along the road will be suspended for the day.

I would like to apologise for any inconvenience the closure will cause during this period and assure you we are working closely with Islington Council and the school to ensure as minimum disruption as possible is caused carrying out these works.

If you would like to contact me regarding any of the works listed above or the Elizabeth Garrett Anderson Project please feel free to call me on the numbers below.

Best regards

Rob Holmes
